AMBIKA - MASTER'S IN SOCIAL WORK

Ambika is a Paniya Tribal girl from Nacherry Paniya Tribal Villagewhich is at the border of Nilgiris and Wayanad. She has 5 sisters and 3 brothers. All of them got married at a very small age. Both her father and mother are addicted to alcohol and didn't allow her to study. She managed to clear her 8th standard in the nearby government tribal residential school. With the support of social workers she joined in a NGO run hostel at the border of Nilgiris and wayanad. After completing her 10th standard she had the interest to take up pure science group in her 11th and 12th standard. After completing her School studies she took up Bachelor's in Social Work at Bishop Appasamy College at Coimbatore. After completing BSW now she has joined Master's in Social work at madras Christian College at Chennai

MANIKANDAN C - BA POLITICAL SCIENCE

Manikandan C is a Paniya Tribal boy from the border of Nilgiris and Wayanad. His father goes to nearby farm for daily wages coolie work. Mother is a home maker. He has 1 Elder brother 1 elder sister and 1 younger brother. His father will not spend money to the family. He daily drinks alcohol and hits all the children. Both his parents are addicted to alcohol and they don't care of their children. With the help of social workers, they were made to do their education. Manikandan was a Drop out during his school. He was made to study at Government Tribal Residential School.

After his 8th Standard he got admission to study 9th standard at Government Higher secondary school at the border of Nilgiris and Wayanad. As his father and mother were not supporting his education with the help of social workers, he joined an NGO run Tribal Hostel at the border of Nilgiris and Wayanad. He was the school first in his 10th standard board exam results. Looking at his results, no one appreciated him as he is the Tribal student. Later with the support of social workers, he got Admission to study Pure Science group at Madurai. Being at the hills surviving at planes was a big task for him. After too many struggles Like Change of Food, Culture, Language and surrounding he secured the school first in his 11th standard common Government Examination. After getting School First in 11th standard, he has made efforts to get more marks in 12th standard examinations. With Hard work and determination, he has secured 439/600 in 12th standard examinations where he scored a percentage of 73%. He has created a record break of scoring more than 70% among his Tribal population. After Counselling he has decided to study Political Science in Presidency College at Chennai. His Ambition is to become a government officer and serve his community. He expressed his interest to do political science and later do PG and clear Government Exams.

DHIVYADHARSHINI - BA SOCIOLOGY

Dhivyadharshini is from Peravurani village of Thanjavur district of Tamil Nadu. Her father was a daily wages coolie worker who goes for carpentry work. Her Mother was diagnosed with Breast Cancer. She has 1 younger sister who is studying 12th standard. She did her school education at Government Girls Higher secondary School at Peravurani. During her small age her mother was diagnosed with cancer in the earlier stage and with the support of social workers she was able to get treatment at JIPMER in Puducherry. Her father was not able to work as daily wages due to health issues. Later he joined as a Bus conductor in a private school at Peravurani.

Her mother goes for Sweeping work at the nearby Bank. She earns Rs.500 per month as salary. Her father earns Rs.7000 per month. Life was very difficult for their family having low income. She studied Tamil medium till 10th standard. Looking at her determination she had the confidence to study English Medium. She took English medium under Mathematics and Biology group. During her studies she had lot of health issues like Asthma. With lot of struggles and hurdles in her life she finally secured 396/600 with a percentage of 66%. Her Ambition is to write Government exams and so services for the people. She got selected to study BA Sociology at Stella Mary's college at Chennai.

SANDHIYA - BA ECONOMICS

Sandhiya is a Bettakurumba Tribal girl from Kadasanankolly Tribal Village. The Village Kadasanankolly is nearly 20 Kms inside the reserve forest area. It is a board for various wild animals like Elephants, Tigers, Leopard. Her father is a Daily wages coolie worker who goes to the nearby Tea estates. Her mother goes for Tea leaf plucking at the nearby Tea estates. She did her Schooling at Devarshola Higher secondary school at Nilgiris. Everyday after the wild animals cross their village they will go to school. In the night there will be no electricity so they managed studying in the available Light soouces. She took up commerce group in her 11th and 12th Standard. She completed her High School. Her Ambition is to work in Banking Sector. She took up her under graduation in BA Economics at Nirmala College of Arts and Science at Coimbatore.

BOMMI - BA ECONOMICS

Bommi is a Bettakurumba Tribal girl from Kadasanankolly Tribal Village. Her father is a Daily wages coolie worker who goes for work in the nearby farm areas. Her Mother is a Daily wages coolie worker who goes for plucking Tea leaves in Tea Estates. She did her School education at Devarshola Higher Secondary School. To go to School she needs to wait for wild animals to leave their village and then they can proceed to School. There are no transport facilities for her village people to reach the nearby Town. They need to walk near to 3 Hours by walk to reach the nearby town Devarshola for getting basic needs for their houses. Bommi's Determination and hardwork made her to clear the 12th standard examination. Her Ambition is to become an Tribal Enterpreuner. She has taken BA Economics at Nirmala Arts and Science college at Coimbatore.

COMMUNITY COLLEGE

Most of the Tribal children are not continuing their education after 8th standard. Most of the Tribal children wont go for normal school because of which started Government Tribal Residential School. And Access residential School. Most of the Tribal children get enroll in these schools and complete their 8th standard. Aftyer 8th standard some of them continue to go to 9th standard, while some go for coolie work. Some of them go up to 10th standard and become drop outs. Taking this in to acount we made 11 triobal children to study General Duty Assistant and Computer Graphics at MCC Kothagiri Community college at kothagiri.

It is a One year Skill training course where students will get practical exposures and Industrial visits. After 12 months of course students are made to go internship for 6 months in their nearby Hospitals or computer graphics companies. After completion of internship depending on their Sills the particular hospital or the Computer graphics company will hire the students for work.
